

The Warmest Aussie Legend

THE MOSMAN LINEAR GAS HEATERS

MOSMAN

LOGS & PEBBLES

MOSMAN

CLEAN FACE

The Mosman is the latest edition into the Coonara family. With its panoramic view and under floor lighting, it has all the charm and romance you would expect from an Australian made Coonara heater. **Top Image:** Pictured with our logs and pebbles together with our black mirrored glass, and optional 40ml trim.

Bottom Image: Pictured in Clean Face version.

Front Page Image: Pictured with glass media and 40ml stainless steel fascia.

The Mosman will add style and elegance to any living area, with its realistic flame patterns and the cosy heat being circulated by a quiet 3 speed fan. You have a choice of logs & pebbles, glass media or pebbles only. The LED lighting board has 8 colours on it and comes standard with the Glass Media version only. You also have the option of a Black or Stainless Steel 40 ml trim, mirrored or black glass and stainless steel door to suit any decor.

- Power Outlet right hand side
- Cement Sheet required (for flat level base)

Tested and approved

Tested and approved to the most stringent quality standards for safety and efficiency. AGA approved. Certificate No. GMK10272.

Coonara Warranty

All current Coonara gas heaters are warranted to be free from defects in material and workmanship under normal use and service. The warranty of the actual firebox and heat exchanger is 5 years – to the initial purchaser. All other components (except accidental breakage of door glass) are warranted for a period of 24 months. Coonara gas log fires are designed and tested for use with Coonara manufactured flue kits. For the full warranty statement, refer to the Shamic Sheetmetal (Aust) P/L website (www.shamic.com), the product installation manual, or your Coonara dealer. Shamic goods come with guarantees that cannot be excluded under Australian Consumer Law. The purchaser is entitled to a replacement or a refund for a major failure and compensation for any reasonably foreseeable loss or damage. The purchaser is also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Note: All Coonara heaters must be installed by our authorised installers to be covered by our warranty statement.

***IMPORTANT:** Heating areas provided are based on open plan living areas and 2.4 metre ceiling height. Note: Lack of insulation, large window areas and cathedral ceilings reduce heating effectiveness.
